Ella Bella® Photography Backdrops

These backdrops provide amateur and professional photographers with an inexpensive backdrop choice. Our designs are printed on paper, and created to help minimize light reflection, enhance your image and complement your subject. Ella Bella® is great for newborn, children and product photography, and can be used for video backdrops, displays and online selling sites. Great for amateur, hobby and professional photographers. Patterns are seamless and printed with fade-resistant inks. Rolls are peggable for easy merchandising. Acid free. Recyclable.♺
